

Social Host Responsibility Policy

We have a moral and legal obligation to provide an environment where alcohol is sold responsibly. Because of this, we do the following:

- We are committed to encouraging the responsible sale and supply of alcohol.
- Alcohol will only be promoted and sold in a responsible manner.
- It is against the law to serve alcohol to minors. This is why we must ask your age before we can sell you wine, and why we cannot deliver wine to people under the age of 18
- We pride ourselves on being socially responsible.

We want you to be able to explore our wines in a safe and enjoyable manner.
